Item 2.01 Completion of Acquisition or Disposition of Assets

On February 1, 2021, KKR & Co. Inc. (together with its subsidiaries, “KKR”) completed the acquisition of Global Atlantic Financial Group Limited (“Global Atlantic”) by Magnolia Parent LLC (“Parent”), a KKR subsidiary, as contemplated by the Agreement and Plan of Merger, dated July 7, 2020 (as amended, the “Merger Agreement”), by and among Global Atlantic, Global Atlantic Financial Life Limited (“GA Life”), Parent, Magnolia Merger Sub Limited (“Merger Sub”), LAMC LP, and Goldman Sachs & Co. LLC, solely in its capacity as the Equity Representative. The total purchase price for the transaction was \$4.7 billion, subject to certain post-closing purchase price adjustments as provided in the Merger Agreement.

At the closing of the transaction (the “Closing”), Merger Sub (a direct wholly-owned subsidiary of Parent) merged with and into Global Atlantic (the “GA Merger”), with Global Atlantic continuing as the surviving entity and as a direct wholly-owned subsidiary of Parent, and immediately thereafter, GA Life merged with and into Global Atlantic (the “Life Merger” and, together with the GA Merger, the “Mergers”).

In connection with the Closing, Parent changed its name to The Global Atlantic Financial Group LLC (“TGAFG”) and became the new holding company of Global Atlantic’s business. Also in connection with the Closing, certain previous shareholders of Global Atlantic elected to participate in an equity roll-over to become shareholders of TGAFG, and new co-investors agreed to fund in cash a portion of the purchase price to become shareholders of TGAFG. Following these roll-overs and co-investments, KKR owns 61.1% of TGAFG as of the Closing, which percentage is subject to change due to certain post-closing purchase price adjustments as provided in the Merger Agreement.

The foregoing description of the Mergers and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is included as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The Merger Agreement has been included as an exhibit hereto solely to provide investors and security holders with information regarding its terms. It is not intended to be a source of financial, business or operational information about KKR, Global Atlantic or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement are made only for purposes of the Merger Agreement and are made as of specific dates; are solely for the benefit of the parties; may be subject to qualifications and limitations agreed upon by the parties in connection with negotiating the terms of the Merger Agreement, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties rather than establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of KKR, Global Atlantic or their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures.

Item 7.01 Regulation FD Disclosure

On February 1, 2021, KKR and Global Atlantic issued a joint press release announcing the Closing. The joint press release is furnished herewith as Exhibit 99.1.

As provided in General Instruction B.2 of Form 8-K, the information in this Item 7.01 and the exhibit furnished hereunder shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall they be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

Item 8.01 Other Events

Following the Closing, KKR & Co. Inc. issued 0.96 million newly issued shares of its common stock for an aggregate purchase price equal to \$38.5 million to certain members of Global Atlantic's senior management who agreed to invest a portion of their proceeds from the Mergers into KKR & Co. Inc. common stock. These members of Global Atlantic's senior management agreed not to transfer the shares received in this issuance for a three-year period following the Closing, subject to certain exceptions, and to continue to own at least 25% of such shares so long as such person is employed with Global Atlantic. In connection with such issuance, KKR & Co. Inc. filed a prospectus supplement relating to the resale of such shares of common stock, and certain exhibits have been included in this Current Report on Form 8-K for such filing.

KKR Closes Acquisition of Global Atlantic Financial Group Limited

*Acquisition of leading retirement and life insurance company expected to add approximately \$90 billion to KKR's Assets Under Management
KKR owns approximately 60% of Global Atlantic following successful equity syndication*

NEW YORK & BERMUDA, February 1, 2020—KKR & Co. Inc. (NYSE: KKR) and Global Atlantic Financial Group Limited (“Global Atlantic”) today announced the closing of their previously-announced strategic transaction.

Global Atlantic is one of the largest fixed rate and fixed annuity providers in the United States, serving more than two million policyholders through its retirement and life insurance products. It offers annuities for individuals through a network of banks, broker-dealers, and insurance agencies, as well as life insurance for individuals. Global Atlantic is also a leader in the institutional channel, providing customized reinsurance solutions to its life and annuity company clients. It offers capabilities across block, flow, and pension risk transfer reinsurance to meet its clients’ needs.

Global Atlantic has delivered strong performance since the transaction was announced in July 2020. Based on preliminary financial results of Global Atlantic as of December 31, 2020, the estimated value of the Global Atlantic assets to be managed by KKR as of the closing is approximately \$90 billion. Driven principally by three reinsurance block transactions, this represents asset growth of approximately 25% since the announcement of the transaction.

“Since we announced this transaction, Global Atlantic’s success has been remarkable, and in many ways we are well ahead of our initial expectations,” Joseph Bae and Scott Nuttall, Co-Presidents and Co-Chief Operating Officers of KKR, said. “We welcome Global Atlantic to the KKR family and look forward to supporting its policyholders and clients through our asset management and origination capabilities, as well as our global network.”

Global Atlantic will continue to be led by Chief Executive Officer Allan Levine and its existing senior leadership team. The business will continue to operate as a separate company. KKR will serve as investment manager for Global Atlantic, allowing Global Atlantic to gain access to KKR’s leading origination engine and asset management capabilities while maintaining a prudent risk-adjusted investment strategy.

“This is an exciting day for Global Atlantic. Being a part of KKR strengthens our position as a leading U.S. annuity and life insurance company, enhances our ability to deliver compelling solutions for our clients and deepens our access to long-term strategic capital,” said Allan Levine, Chairman and Chief Executive Officer of Global Atlantic. “Our strong results to date were driven by our people and culture. We are thrilled to be working with the KKR team to capitalize on the significant opportunities we see in front of us. In KKR we have a tremendous partner who shares our values, is aligned around our vision, and committed to our success.”

Transaction Highlights

The transaction valued Global Atlantic at approximately \$4.7 billion. Global Atlantic will operate as a consolidated subsidiary of KKR, with KKR owning a controlling interest in Global Atlantic of approximately 60%.

Following the announcement of the transaction, KKR led an equity co-investment process resulting in significant investor demand from new and existing investors in Global Atlantic, including Global Atlantic's leadership team. These investors, including Global Atlantic's management team, own the remainder of Global Atlantic. The co-investment process also generated an additional \$250 million of primary equity capital that will support Global Atlantic's future growth objectives and provide financial flexibility.

Conference Call

KKR expects to discuss additional details related to the transaction on its Fourth Quarter 2020 Earnings Call, scheduled for February 9, 2021 at 10:00 a.m. ET.
